

**REMARKS**

The above-identified application was allowed in the Office Action mailed April 11, 2005. The issue fee payment is filed concurrently herewith. Subsequent to the receipt of the Notice of Allowance, Applicant noted that the Examiner's Amendment dated April 11, 2005, was ambiguous as to which instance of the word "containing" in claim 153 was to be replaced with the word "with." In the listing of claims submitted herewith, Applicants have applied the Examiner's amendment to line 6 of that claim and have additionally amended line 8 to also replace the word "containing" with the word "with," merely to conform the text of this recitation to the remaining claims as previously amended in the Examiner's Amendment. The requested amendment is fully supported by the specification and drawings, will not require an additional search, and does not raise new issues. Therefore, Applicant respectfully requests that this Amendment After Allowance be entered and the requested change be made.

Applicant also notes that two Supplemental Information Disclosure Statements have been filed since the mailing of the Notice of Allowance: one on May 23, 2005, and the other herewith. Applicant appreciates the Examiner's consideration of the documents provided and the return of the appropriately notated Forms PTO/SB/08.

Please grant any extensions of time required to enter this amendment and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
